

DR. ORREY DERMA CLINIC

MEDICAL SKIN TREATMENT

TRANSFORM YOUR DERMATOLOGY CAREER WITH DR. ORREY DERMA CLINIC.

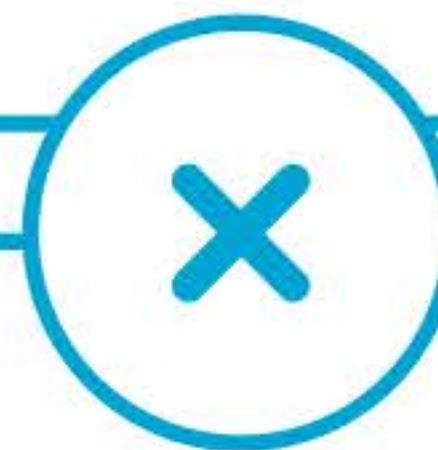

Addressing Your Frustrations

Are you worried about going into private practice alone?

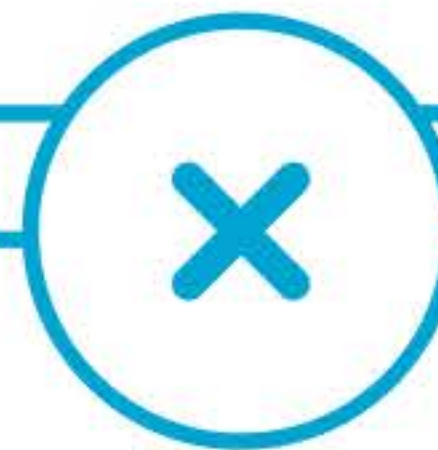

Struggling to overcome loans
and financial instability?

Feeling overwhelmed by the
endless admin tasks needed to
run your own practice?

Dealing with the challenges of
recruiting, training, and retaining
qualified staff?

Facing difficulties in running a
practice due to a lack of business
experience?

We Understand Your Concerns!

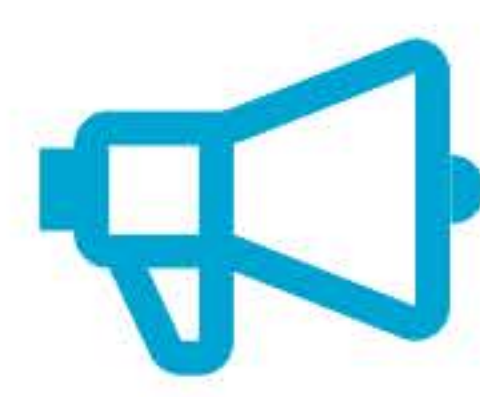

HASSLE-FREE PRACTICE MANAGEMENT:

Our admin team handles staffing, scheduling, and operations, so you can focus solely on your patients.

FINANCIAL SECURITY AND GROWTH:

Our model provides financial stability and growth, letting you build a prosperous career without financial strain.

BUSINESS DEVELOPMENT AND MARKETING:

We manage all marketing efforts, ensuring a steady flow of patients and continuous career advancement.

Join Our Dermatology Team:

We provide a supportive environment for your professional success.

Enjoy financial freedom with a stable income from the start, typically earning R80,000 - R100,000 monthly in your first year, with potential growth to R150,000 - R200,000 and beyond.

Our experienced administrative team manages all tasks, from bookings to patient follow-ups.

We also offer support staff for daily operations and a team dedicated to business management, marketing, and patient acquisition, ensuring a thriving practice.

Ready to elevate your career?

WORK IN A PREMIER DESTINATION:

Cape Town, one of the world's best cities, offers stunning scenery and quality of life. Our clinic is in the Steenberg winelands, 10 minutes from the beach.

FOCUS ON PATIENT CARE:

Your role will be to see, treat & look after your patients: leaving the running of the practice to us.

JOIN A SUPPORTIVE COMMUNITY:

At Dr. Orrey Derma Clinic, you will join a passionate dermatology community. Dr. Orrey holds bimonthly doctor meetings and problem clinics every 2-3 months.

About Us

Dr. Orrey Derma Clinic, founded by Dr. Ilsa (Micky) Orrey, provides a collaborative environment for dermatologists. With over 30 years of experience, Dr. Orrey created Derma Clinic to support dermatologists, drawing from her own struggles in private practice. Our clinic fosters a community dedicated to professional growth and exceptional patient care, believing in the power of collaboration to achieve excellence in dermatology.

“Joining Dr. Orrey Derma Clinic is not just a career move, it's a lifestyle choice.”

We offer you the freedom to focus on your patients, financial stability, and the opportunity to live in one of the most beautiful and vibrant cities in the world. Send your CV to us here: micky@dorrey.co.za

We look forward to welcoming you to our team and supporting your journey to professional excellence and personal satisfaction.
